

For voters requiring special assistance

- > **Blind voters** can navigate through the entire ballot without assistance, in complete privacy, using voice guidance prompts.
- > **Voters with limited vision** can use the magnification feature, enabling them to vote unassisted in a clear, comfortable manner, and in complete privacy. A magnifying lens also helps to verify the printed ballot.
- > **Voters in wheelchairs** have full accessibility to the Touch Screen voting station.

> **Voters with limited dexterity** can make ballot selections using a finger, head pointer, tongue depressor or any other firm object.

If you have any questions or problems during the voting process, ask your poll worker for assistance.

Voting Instructions for AccuVote Touch Screen

1 Start: Insert Card

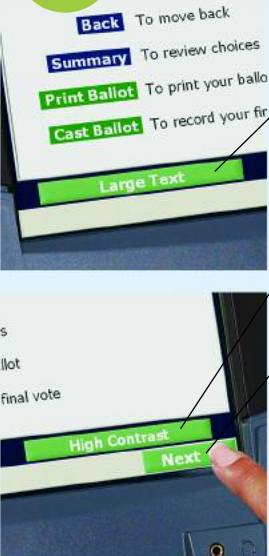

Insert voter access card into slot at upper right side of the screen.

Card should be face up with arrow pointing left.

Push card firmly in until it clicks.

2 Read "Instructions"

Before you begin the voting process, you can **touch** "Large Text" to increase text size.

Touch "High Contrast" to view a black and white ballot.

To access ballot and begin voting, **touch** "Next".

3 Select Candidates

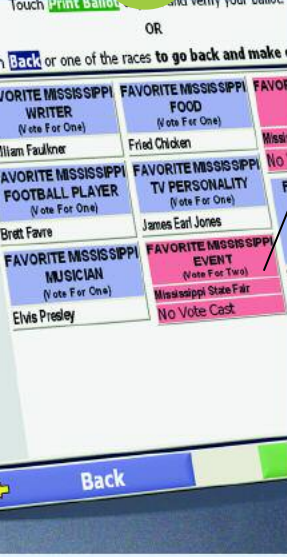

Touch the box on the screen next to your choice. An "X" will appear designating your selection.

To change or cancel your selection, **touch** the box again and make another selection.

If you wish to write in a candidate, **touch** "Write-In" and type the name. Then **touch** "Record Write-In".

4 Review Your Ballot

On the Summary Page, review your choices.

Items in red are races that were left blank or incomplete.

If you want to vote for a race that was left blank, incomplete, or change your vote, just **touch** the desired race you would like to change and you will be taken back to the proper page to cast your vote.

5 Print Ballot for Verification

To verify your selections, **touch** "Print Ballot" and you will see an enclosed printed copy of your choices.

After reviewing your printed ballot, you can either cast or reject your ballot.

6 Cast Your Ballot

Touch "Cast Ballot" when you are ready to record your vote. Once your ballot has been cast, the printer will scroll to hide your selections.

7 Finish: Remove Card

You have completed the electronic touch screen voting process.

Remove your voter access card and return it to a poll worker.
